—

Harry and Hermione were rowing along in Harry's new boat. Hermione was laying back in her seat while Harry was struggling with the oars. She sat up, laughing and helped him with the rowing. Their hands brushed up against one another and hey smiles at each other.

—

Gently down the stream

They glided along the stream gently (duh!) and Hermione rested her head on Harry's shoulder. He smiled at her and kissed her lips softly.

—

Merrily, Merrily, Merrily, Merrily

—

He kissed her softly and then smiled adoringly at her. Hermoine put her arm around him and kissed his cheek. They were very cozy as they dissappeared into a foggy mist.
